## **CANCELLATION OF TENDER NO: 2018/19 PUMP STATION/01 REFURBISHMENT OF ROSELOVE AND ROOIRAND SEWER PUMP**

Kindly note that the Municipality has decided to cancel the above mentioned tender in line with regulation 13 of Preferential Procurement Regulations, 2017, which states the following:

An organ of state may, before the award of a tender, cancel a tender invitation if-

- (a) Due to changed circumstances, there is no longer a need for the goods or services Specified in the invitation;
- (b) Funds are no longer available to cover the total envisaged expenditure;
- (c) No acceptable tender is received; or
- (d) There is a material irregularity in the tender process.

The following is the reason why Letsemeng Local Municipality is cancelling the tender invitation:

- The acceptable tenders as received are more than the available budget, and as such Municipality cannot afford to implement this project.

A re-scoping exercise will be performed to remove non-essential items in order for the service providers to quote within the acceptable range.

In line with regulation 13, sub-paragraph 2, it is stated that the decision to cancel a tender invitation in terms of sub-regulation (1) must be published in the same manner in which the original tender invitation was advertised. Municipality will publish on its website the reason for cancelation of this tender.

Kindly contact Director: Technical Services, Ms. Dineo Motlogelwa on 053 33 00 234, should you require any other information pertaining to this matter.

Kind Regards;
