Payments to Service Providers

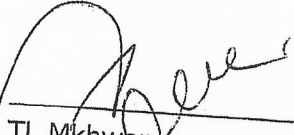

Letsemeng Local Municipality (in Koffiefontein) has been riddled with community unrests for almost five weeks. Due to these unrests, the provision of services, normal operation of the municipality and the payments of services have been negatively affected.

We duly and heartily apologise for the inconvenience caused, however the matter is receiving necessary attention from the powers that be. We have not been operating as some days municipal offices are open and some days offices are closed.

Any inconveniences caused is highly regretted.

Kindly contact the Chief Financial Officer, Mr Tooi on 066 487 9701 if you have any other queries pertaining to this matter.

Kind Regards;

TL Mkhwane
Municipal Manager
