

LETSEMENG COUNCIL / LETSEMENG RAAD

2021/2022 IDP & BUDGET PUBLIC PARTICIPATION

Section 29 (1) (b) (i) and (ii) of the Municipal Systems Act, 2000 requires that the local community be consulted on its development needs and priorities and to participate in the drafting of the Integrated Development Plan (IDP).

The municipality conducts engagements with communities to ensure its planning aligns with community needs and prepares a budget accordingly. Due to Covid-19 regulations and the restrictions placed on public gatherings, Letsemeng has initiated a different approach to public participation, an alternative to face-to-face meetings, as a means of collecting community needs.

Your involvement in the development of the IDP is crucial for proper planning and budget allocation, and therefore we invite you to have your comment/input in the development of your community. On the reverse of this page, the community needs assessment form has been designed to allow you to share your top 5 community needs.

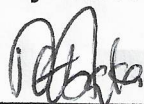

PLEASE FILL OUT THE FORMS AND SUBMIT

- At the Office of the Speaker, municipal offices
- Via email at stsikang@letsemeng.gov.za

Soft copies of the forms are available on the municipal website (www.letsemeng.fs.gov.za), and hardcopy forms can be collected at the Office of the Speaker and all Municipal Offices

All inputs must be submitted by **09 March 2021.**
