

LETSEMENG COUNCIL / LETSEMENG RAAD

20 April 2021

SOCIAL AND LABOUR PLAN (SLP) Community Projects Identification (Koffiefontein)

The residents of Ward 4 and Ward 5 are hereby given notice that the municipality has published a list of priority projects that will be forwarded to Petra Diamonds for inclusion in their Social and Labour Plan (SLP) for implementation in this cycle. These are projects that the community identified during the recent public participation process of the Integrated Development Plan (IDP). The Draft IDP of the municipality was adopted by the council on the 09 April 2021.

Due to Covid-19 regulations and the restrictions placed on public gatherings, Letsemeng has initiated a different approach to public participation, alternative to face-to-face meetings, as a means of collecting community needs.

The municipality hereby urges the residents of Ward 4 and Ward 5 to forward their objections/approvals if any, to the identified projects and to also identify and suggest other projects that can be included in the SLP for implementation.

The projects identified must be on Infrastructure, Poverty Alleviation and Community Development to address the socio economic challenges faced by the community.

Please submit your objections, approval and suggestions in writing to siphiwe@letsemeng.gov.za , alternatively at the reception of the municipal offices.

Please feel free to contact our LED Officer Mr Sipiwe Phithi on 078 669 5471 should there be any clarity needed on the above.

All inputs must be submitted by **04 May 2021**.

Issued by: Cllr. M A Lebaka

A handwritten signature in black ink, appearing to read 'M A Lebaka', written over a horizontal line.

Mayor

LETSEMENG COUNCIL / LETSEMENG RAAD
