LETSEMENT - MAYOR BUDGET *and* IDP FOR 2021/2022 FINANCIAL YEAR

Fellow Community Members of Letsemeng Local Municipality; kindly take note that the Council of the Municipality has tabled the budget and IDP for the 2021/2022 Financial Year

In Line with the Provisions of Municipal Finance Management Act and Municipal Systems Act, We are mandated to consult the Community we serve on both the Budget and IDP as Tabled.

We however find ourselves in an unfortunate situation due to COVID Regulations that do not allow us to have huge gatherings, it is in line with these regulations that we will not be holding face to face meetings to solicit your inputs on both IDP and Budget.

We strive by all means to try and curb the spread of COVID 19 and save lives.

We therefore request Community Member to submit their inputs on both Budget and IDP to my Office and to the Office of Manager Strategic Planning before the stipulated dates as per the notices to be sent out.

I have prepared a presentation which will guide you in making your inputs, this presentation will be uploaded onto the Municipal Website, www.letsemeng.fs.gov.za.

Please observe social distancing at all times, ensure that you sanitize, COVID 19 is with us and we need to learn to live with it.

I thank you
