2. INTRODUCTION

2.1 Section 3(1) of the Local Government: Municipal Property Rates Act, 2004 (Act No 6 of 2004), and section 62(1)(f)(ii) of the Local Government: Municipal Finance Management Act, 2003 (Act No 56 of 2003), provide that a municipality must adopt and implement a policy on the levying of rates on rateable property.

2.2 The municipality must levy rates in accordance with the Local Government: Municipal Property Rates Act, 2004 (Act No 6 of 2004), the by-laws and the rates policy adopted by the municipal council. This document sets out the policy of the Letsemeng Local Municipality on the levying of rates on rateable property in the municipality.

2.3 The rates policy must be reviewed annually in compliance with section 5(1) of the Local Government: Municipal Property Rates Act, 2004 (Act No 6 of 2004) and according to the time schedule tabled by the Mayor in accordance with section 21(1)(b) of the Local Government: Municipal Finance Management Act, 2003 (Act No 56 of 2003).

2.4 Any changes to the rates policy must be approved together with the annual budget in compliance with Section 24 of the Local Government: Municipal Finance Management Act, 2003 (Act No 56 of 2003).

3. OBJECTIVES

3.1 The objectives of this policy are to ensure that-

a. all ratepayers within a specific category are treated equally and reasonably;

b. rates are levied in accordance with the market value of the property;

c. the rate will be based on the value of all rateable property and the amount required by the municipality to balance the operational budget, taking into account any surpluses generated from municipal services and the amounts required to finance exemptions, reductions and rebates that the municipality may approve from time to time; and

- d. to optimally safeguard the income base of the municipality only by approving exemptions, reductions and rebates that are reasonable and affordable.

4. PURPOSE OF THE POLICY

4.1 The purposes of the policy are:-

- (a) to comply with the provisions section 3 of the Act;
- (b) to determine criteria to be applied for-
 - (i) the levying of differential rates for different categories of properties;
 - (ii) exemptions;
 - (iii) reductions and rebates; and
 - (iv) rate increases;
- (c) to determine or provide criteria for the determination of –
 - (i) categories of properties for the purpose of levying different rates; and
 - (ii) categories of owners of properties for categories of properties, for the purpose for the granting of exemptions, rebates and reductions;
- (d) to determine how the municipality's powers must be exercised in relation to multi-purpose properties;
- (e) to identify and quantify to the municipality in terms of cost and benefit to the community-
 - (i) exemptions, rebates and reductions;
 - (ii) exclusions; and
 - (iii) rates on properties that must be phased in;
- (f) to take into account the effect of rates on the poor;
- (g) to take into account the effect of rates on organisations conducting public benefit activities;
- (h) to take into account the effect of rates on public service infrastructure;

- (i) to determine measures to promote local economic and social development; and
- (j) to identify all rateable property that is not rated.

5. POLICY PRINCIPLES

- 5.1 The municipality subscribes to the principle of an equitable property rates dispensation within its area of jurisdiction. Each ratepayer must be taxed fairly relative to other ratepayers. Ratepayers in similar circumstances will pay similar rates.
- 5.2 The municipality accepts that:
- (a) the effect of rates on the poor has to be taken into account and appropriate measures to alleviate the rates burden on them are necessary;
 - (b) the effect of rates on public benefit organisations have to be taken into account;
 - (c) the effect of rates on public service infrastructure has to be taken into account;
 - (d) measures have to be taken to promote local, social and economic development within the area of jurisdiction of the municipality;
 - (e) all deviations from a uniform rate in respect of all categories of owners of properties must be fair and equitable.
- 5.3 In considering affordability, the total municipal services account and not only the rates account will be considered. The municipality will not increase the property rates by more than what may from time to time be reasonably necessary.

6. IMPOSITION OF RATES

- 6.1 The council shall, in imposing the rates for each financial year, take cognisance of the aggregate burden of rates and service charges on property owners in the various categories of property ownership and of the extent to which this burden is or remains competitive with the comparable burden in other municipalities within the local economic region.
- 6.2 The council pledges itself to limit each annual increase as far as practicable to the increase in the consumer price index over the period preceding the financial year to which the increase relates, except when the approved

integrated development plan of the municipality provides for a greater increase.

- 6.3 The council shall as part of each annual operating budget component impose a rate in the rand on the market value of all rateable property as recorded in the municipality's valuation roll and supplementary valuation roll. Rateable property shall include any rights registered against such property, with the exception of a mortgage bond.

7. CATEGORIES OF PROPERTY

- 7.1 Properties will be categorised as follows

 - (s) Properties used for multiple purposes.
 - (t) Urban conservation areas.
 - (u) Developed non-urban land.
 - (v) Unimproved properties.
- 7.2 For all agricultural properties with mixed use, allocations shall be used to allocate the market value to the different portions and to rate the portions accordingly.
- 7.3 Agricultural properties that are not used for bona fide farming, but are predominantly used as residential properties will be categorised as "residential", provided that they meet the definition of a residential property as described in this policy.
- 7.4 Farms used predominantly for commercial or industrial purposes (such as truck depots, construction yards or factories) shall not qualify for any rebates or reductions.

- 7.5 Should any doubt arise regarding the category to which a particular property or group of properties belong, the Council or a person or persons designated by the Council shall, after having considered representations by the person or persons having a direct interest in the property or properties, determine the category to which the property or properties concerned belong.

8. CATEGORIES OF OWNERS

- 8.1 For the purpose of this policy and in terms of section 15(2) of the Act the following categories of owners will be recognised:
- (a) indigent owners;
 - (b) owners dependent on pensions or social grants for their livelihood;
 - (c) owners of property situated within an area affected by-
 - (i) a disaster within the meaning of the Disaster Management Act, 2002 (Act No 57 of 2002);
 - (ii) any other serious adverse social or economic conditions;
 - (d) owners of residential properties with a market value lower than an amount determined by the municipality; or
 - (e) owners of agricultural properties who are *bona fide* farmers.

9. LIABILITY FOR RATES

- 9.1 **Method and time of payment:** The municipality will recover the rate levied in periodic instalments of equal amounts in twelve months. The instalment is payable on or before the 15th day of every month in accordance with the municipality's monthly accounts.
- 9.2 **Annual Payment Arrangements:** By prior arrangement with the municipality the rate may be paid in a single amount before 30 September of the year in which it is levied, however, application must be submitted before 30th June for this option. Any application thereafter will only be considered by the municipality's Chief Financial Officer on good cause shown.
- 9.3 **Recovery of rates in arrears from tenants and occupiers:** If an amount due for rates levied in respect of a property is unpaid after the day determined, the municipality may recover the amount in whole or in part from a tenant or occupier of the property. The amount the municipality may recover from the tenant or occupier of the property is limited to the amount of the rent or other money due and payable by the tenant or occupier to the owner of the property. Any amount the municipality recovers from the tenant

or occupier of the property may be set off by the tenant or occupier, against any money owed by the tenant or occupier to the owner.

- 9.4 **Recovery of rates in arrears from agents:** The municipality may recover the amount due for rates from an agent of the owner after it has given written notice to that agent. The amount the municipality may recover from the agent is limited to the amount of any rent or other money received by the agent on behalf of the owner, less the commission due to that agent. The agent must, on request by the municipality, furnish the municipality with a written statement specifying all payments for rent on the property received by that agent during a period determined by the municipality.
- 9.5 **Interim Valuation Debits:** In the event that a property has been transferred to a new owner and an interim valuation took place, the previous owner shall be liable for the additional rates payable up to the transfer date irrespective of the issuing by the municipality of a rates clearance certificate in terms of section 118 of the Municipal Systems Act.
- 9.6 **Ownership:** Properties which are to be transferred to or which will vest in the Municipality arising from developments, i.e. open spaces and roads, shall be transferred to the municipality at the cost of the developer. Until such time, rates levied will be for the account of the developer.
- 9.7 **Rates Clearance Certificate:** Rates clearance certificates for property transfer purposes will only be valid until 30th June if the rates have been paid in full up to that date. No extension of the period of validity of a rates clearance certificate will exceed 60 days beyond 30 June: Provided that no extension will in any event be granted in respect of a period after 30th June if the new financial year's rates have not been paid in full: Provided further that no such extension will affect the provisions of subparagraph 9.5 above.
- 9.8 **Interest:** Interest at 2% the prime interest rate charged by the municipality's principal bank from time to time shall be payable on all amounts outstanding.

10. DIFFERENTIAL RATES

- 10.1 Different categories of properties may pay different rates in the rand based on the market value of the properties.

11. EXEMPTIONS, REBATES AND REDUCTIONS ON RATES AND PHASING-IN OF CERTAIN RATES

- 11.1 In imposing the rate in cent in the rand for each annual operating budget component, the municipality shall grant the exemptions, rebates and reductions provided for in this policy to the categories of properties and categories of owners indicated, but the municipality reserves the right to

LETSEMENG LOCAL MUNICIPALITY
PROPERTY RATES POLICY

amend these exemptions, rebates and reductions if the circumstances of a particular annual budget so dictate.

- 11.2 In determining whether a property forms part of a particular category indicated, the municipality shall have regard to the actual use to which the relevant property is put. In the case of unimproved land not specifically included in any of the categories indicated, the permitted use of the property shall determine into which category it falls.
- 11.3 Municipal properties shall include properties owned by municipal entities as defined in the Municipal Systems Act.
- 11.4 The municipality grants rebates in recognition of the following factors:
- (a) The inability of residential property owners to pass on the burden of rates, as opposed to the ability of the owners of business, commercial and industrial properties and certain other properties to recover such rates as part of the expenses associated with the goods or services which they produce.
 - (b) The need to accommodate indigent persons and owners within the categories of income determined by the council.
 - (c) The services provided to the community by public service organizations.
 - (d) The value of agricultural activities to the local economy coupled with the limited municipal services extended to such activities, but also taking into account the municipal services provided to municipal residents who are employed in such activities.
 - (e) The need to preserve the cultural heritage of the local community.
 - (f) The need to encourage the expansion of public service infrastructure.
 - (g) The indispensable contribution which property developers (especially in regard to commercial and industrial property development) make towards local economic development, and the continuing need to encourage such development.
 - (h) The requirements of the Act.
- 11.5 The municipal manager shall ensure that the revenues forgone in respect of the rebates and reductions and amounts attributable to impermissible rates as contemplated in section 17 of the Act, are appropriately disclosed in each annual operating budget component and in the annual financial statements and annual report, and that the relevant rebates, reductions and

impermissible amounts are also clearly indicated on the rates accounts submitted to each property owner.

- 11.6 The municipality reserves the right to inspect properties before or after granting rebates, reduction or other relief. No further rebates, reduction or other relief, will be granted to properties that qualify for the agricultural rebate.
- 11.7 Any rebate granted based on false information supplied by the applicant, will result in the reversal of all the rebates granted and recovery from the applicant and/or the owner(s) of the property. Further actions may also be taken against the person(s) who supplied the false information.
- 11.8 Should an illegal use occur in respect of property or any part thereof, such property or the rate payer concerned shall not qualify for any rebate or reduction that may otherwise be applicable to such property or person.

12. EXEMPTIONS

14. REDUCTIONS

- 14.1 A reduction in the municipal valuation as contemplated in section 15(1)(b) of the Act will be granted where the value of a property is affected by fire damage, demolition, floods, earthquake or a natural disaster.
- 14.2 The reduction will be based on the certificate issued for this purpose by the municipal valuator.

15. PHASING-IN OF CERTAIN RATES

- 15.1 Unless otherwise decided by the Council from time to time and subject to any other provisions hereof, the property owners who qualify for phasing-in discounts in terms of Section 21 of the Act shall be granted the minimum discounts provided for in Section 21: Provided that such discounts shall not be allowed in addition to any rebates or reductions otherwise provided for in this policy in respect of the categories of properties concerned.

16. RATE INCREASES

- 16.1 The municipality will consider increasing rates annually during the budget process.
- 16.2 All increases in the property rates will be communicated to the local community in terms of the municipality's policy and practices on community participation.

17. MULTI PURPOSE PROPERTIES

- 17.1 Properties used for multiple purposes will for rates purposes be assigned to a category for properties used for multiple purposes as contemplated in section 8(2)(r) of the Act. Rates will be levied:
- (a) by apportioning the market value of a property to the different purposes for which the property is used; and
 - (b) applying the relevant cent in the rand to the corresponding apportioned market value.
- 17.2 Those parts of a special nature reserve, national park or nature reserve within the meaning of the National Environmental Management: Protected Areas Act, 2003 (Act No 57 of 2003), or of a national botanical garden within the meaning of the National Environmental Management: Biodiversity Act, 2004 (Act No 10 of 2004), developed or used for commercial, business, agricultural or residential purposes will be allocated the market value of any such portion for rates purposes.

18. COSTS OF EXEMPTIONS, REBATES, REDUCTIONS, AND PHASING IN OF RATES

- 18.1 During the budget process the Municipality's Chief Financial Officer shall inform the Council of all the costs associated with the proposed exemptions, rebates, reductions and phasing-in of rates.
- 18.2 Provisions shall be made on the operating budget for –
- (a) the full potential income associated with property rates; and
 - (b) the full costs associated with exemptions, rebates, reductions, phasing-in of rates.

19. LOCAL, SOCIAL AND ECONOMIC DEVELOPMENT

- 19.1 The municipality may grant rebates to organisations that promote local, social and economic development in its area of jurisdiction. The following criteria will apply in determining the extent of any such rebates:
- (a) job creation in the municipal area;
 - (b) social upliftment of the local community; and

(c) creation of infrastructure for the benefit of the community.

19.2 Rebates will be restricted to such amount(s) or percentage(s) of the rates payable as determined by the municipality and shall be phased out within the period determined by the municipality.

19.3 Rebates will be granted on application subject to-

(a) a business plan issued by the management of the organisation indicating how the local, social and economic development objectives of the municipality are going to be met;

(b) a continuation plan issued by the management and certified by its auditors stating that the objectives have been met in the first year after establishment and how the organisation plans to continue to meet the objectives;

(c) an assessment by the municipal manager indicating that the organisation qualifies.

20. REGISTER OF PROPERTIES

20.1 The Chief Financial Officer must draw up and maintain a register of properties situated within the municipality in accordance with the provisions of section 23 of the Act.

21. NOTIFICATION OF RATES

21.1 The municipality will give notice of all rates approved at the annual budget meeting in accordance with the provisions of section 14 of the Act.

22.1 CORRECTION OF ERRORS AND OMISSIONS

22.1 In the event of any under-recovery of rates on a particular property, whether because of an error or omission on the part of the municipality or false information provided by the property owner concerned or a contravention of the permitted use to which the property concerned may be put, the rates payable shall be appropriately adjusted for the period extending from the date on which the error or omission is detected back to the date on which rates were first levied in terms of the current valuation roll. In addition, where the error occurred because of false information provided by the property owner or as a result of a contravention of the permitted use of the property concerned, interest on the unpaid portion of the adjusted rates payable shall be levied at the maximum rate permitted by prevailing legislation.

22.2 In the event of any over-recovery of rates on a particular property, whether because of the rate applied or the valuation, the account concerned shall be rectified for the year in which the mistake is detected and for not more than the two preceding financial years, subject, however, to the provisions of the Institution of Legal Proceeding against Certain Organs of State Act, 2002 (Act No 40 of 2002).

23. FREQUENCY OF VALUATIONS

23.1 The Municipality will undertake a general valuation of all rateable properties and prepare a new valuation roll every five years.

23.2 Supplementary valuations will be undertaken on an on-going basis and supplementary valuation rolls will be prepared at the intervals determined by the Council from time to time.

23.3 Amendments to the valuation roll to reflect changes to the owner, address, category, extent, description or other prescribed particulars will be made annually in accordance with section 79 of the Act, and only the electronic copy of the valuation roll will be updated.

24 COMMUNITY PARTICIPATION

Before a municipality adopts its rates policy, the municipality must follow the process of community participation envisaged in Chapter 4 of the Municipal Systems Act; and comply with the following requirements, as set out below.

The Municipal Manager of the municipality must:

- conspicuously display the draft rates policy for a period of at least 30 days at the municipality's head and satellite offices and libraries, and, if the municipality has an official website or a website available to it, on that website as well; and
- advertise in the media a notice stating that a draft rates policy has been prepared for submission to the council, and that such policy is available at the various municipal offices for public inspection, and (where applicable) is also available on the relevant website; and inviting the local community to submit comments and representations to the municipality within a period specified in the notice, but which period shall not be less than 30 days.

The council must take all comments and representations made to it into account when it considers the draft rates policy.

25 ANNUAL REVIEW OF RATES POLICY

The council must annually review, and – if needed – amend its rates policy. Any amendments to the rates policy must accompany the municipality’s annual budget when it is tabled in the council in terms of the Municipal Finance Management Act. When the council decides to amend the rates policy, community participation must be allowed for as part of the municipality’s annual budget process.
